WHY WE PLAY

In Canada, over 600,000 individuals are living with Alzheimer's disease or other dementias – in Alberta, over 59,000 people have a dementia diagnosis. The Alzheimer Society of Alberta and Northwest Territories brings awareness to Alzheimer's disease and other dementias; helps alleviate the personal and social consequences of the disease; provides education and support programs; and promotes and funds research into the cause, prevention, and cure.

The Alzheimer's Face Off Pro-Am Hockey Tournament is a fun-filled weekend that pairs hockey enthusiasts with some of their favorite NHL Alumni. Funds raised by the tournament provide *Help for Today* through the Society's free education programs and support services for those living with dementia along with their family members and care partners; and, *Hope for Tomorrow* through innovative research initiatives happening right here in Alberta (UofA, UofC, UofL).

THE EVENT

April 25th Champions Luncheon – The weekend kicks off with an unforgettable luncheon where former NHL players are honored and profiled.

April 25th Draft Night *presented by Silent Ice Sports & Entertainment* – The highlight of the weekend for many, this high-energy event replicates the NHL Draft as teams draft their favorite player to join their team for the weekend.

April 26th & 27th The Tournament – Participants play alongside high-profile NHL Alumni in a friendly hockey tournament.

The Alzheimer Society of Alberta and Northwest Territories is a provincial and territorial organization with offices in Edmonton, Fort McMurray, Grande Prairie, Lethbridge, Medicine Hat, Red Deer and Yellowknife. We offer *Help for Today* through our programs and services and *Hope for Tomorrow* by investing in research.

It's never too early or too late to reach out to the Society for support. If you or someone you love could benefit from our help, please reach out to your local Society office.

Thank you for your generous support of the Alzheimer Society and Northwest Territories and the families that come to us for help on their journey with dementia.
